Turkey Time

Throughout the month of November, individuals in our Specialized Supports program worked together to create different types of Thanksgiving art. Their most favorite piece, a paper mâché turkey, took our artists 2 weeks to complete!

Josh and Otto were so excited to show off the collaborative turkey!

"The turkey turned out really good," Otto, one of the artists, said. "It took us a long time!"

Our talented artists hope to continue to make fun, collaborative holiday pieces the rest of the season!
