The Price Center Clothing Drive: Support Miracle Mile Ministries!

The Price Center is excited to announce a clothing drive to benefit Miracle Mile Ministries, a charity organization dedicated to supporting those impacted by the opioid crisis and others in need within our community. We are proud to support this initiative, especially with the long-time commitment of our Building and Grounds Manager, Cesar Deossa, who has been a passionate advocate for the organization.

We invite all staff, families, and community members to contribute to this important cause. We welcome all new and gently used clothing items, but there is a particular need for **new women's underwear** and **gender-neutral socks**. Your generous donations will help make a difference in the lives of those who rely on Miracle Mile Ministries for support during these challenging times.

How to Participate:

- Gather your donations of clothing items
- Drop them off at The Price Center
- For more information or to coordinate your donations, please email us at communications@thepricecenter.org.

Let's come together to support Miracle Mile Ministries and help those affected by the opioid crisis and other hardships. Thank you for your generosity and commitment to making a positive impact in our community!
